

Practice Areas

Make your ideas untouchable®.

As a business or an individual with an idea, you must take affirmative steps to protect your intellectual property. We can help.

Woodard, Emhardt, Moriarty, McNett & Henry LLP provides comprehensive intellectual property legal services to help you achieve and protect your business.

With our experience, we can specifically tailor and implement programs to help you identify, protect, review, and enforce your intellectual resources. Since we are specialized, we have the knowledge to help you put programs in place to help identify valuable intellectual resources. We can also provide a package of services across the intellectual property spectrum. We have extensive knowledge and experience to navigate through the intricacies of the application process to help you obtain [patent](#), [trademark](#), and/or [copyright](#) protection for key business assets. We can also help you implement systems to maintain your [trade secrets](#). Whether you are an [entrepreneur](#), [corporate officer](#), or [in-house counsel](#), we have the internal resources to assist in quickly reviewing and evaluating your intellectual property portfolio.

At **Woodard, Emhardt, Moriarty, McNett & Henry LLP**, intellectual property is all we do so that we can devote all our expertise to make your ideas untouchable®.
